

## **Guardian Early Learning Group**

Guardian Early Learning Group is an innovative, passionate and committed organisation that advocates for high-quality early years education and care. We have a focus on contemporary early years pedagogy which is supported by exceptional learning environments, documentation and the advocacy of children's rights.

### **The Role**

An influential opportunity is now available to join our Quality and Curriculum team. Based in our Victorian state, you will be our **Curriculum State Lead**. You will sit in a **team of national experts** who work **collaboratively** to achieve exceptional learning outcomes for children and educators.

Working with the Curriculum team nationally, General Manager and the Operations team at a state level this role will suit an **experienced professional** who has significant experience, knowledge and practical application of the National Quality Framework and other contemporary early years thinking and practice.

Your duties will include but not limited to;

- Identify, design and delivery of professional learning at centre, state and national level, build frameworks, processes and execute them
- Ongoing review and development of the Guardian Curriculum and all associated documents
- Design and implementation of Guardians ECT induction program
- Collaborating with other state Curriculum Teams to build professional and pedagogical expertise and national consistency

### **Qualifications and Experience**

- **Minimum** Bachelor of Teaching/Education (Early Childhood) or equivalent
- **Multi-site** experience in a **leadership** capacity, operation level
- Extensive experience working in the early year's sector
- Experience in researching, interpreting and developing material to execution

### **Skills and Knowledge Required**

- Strong working knowledge and understanding of the National Quality Framework and contemporary early years theory and practice with a particular emphasis on the Reggio Emilia Approach
- Ability to lead, engage and inspire others to achieve expected outcomes
- Strong interpersonal and written communication skills with proven ability to communicate and collaborate effectively with **all key stakeholders**
- Be a natural relationship builder with an engaging style and a natural ability to influence

### **The benefits of working with Guardian:**

- Career advancement opportunities across our growing network, including larger centres, turn around centres and support office roles
- Access to professional development opportunities including; leadership development, curriculum training, our Guardian masterclass program, Educator conference with national and International speakers, monthly meetings, qualification updates such as First Aid, Child Protection etc
- Our recognition program with rewards for outstanding performance for both individuals and teams and our annual Educator awards night
- Participation in the Guardian Education project; a world-class quality enhancement initiative inspired by the infant-toddler centres and preschools of Reggio Emilia

### **How to Apply**

This is a wonderful, **unique** opportunity to join a Curriculum team who are considered true experts with access to world leading international professionals.

We want you to bring your personality, your ideas and your unique aspirations. Be inspired, be inspiring. If you are ready for a role that encourages what's in you, apply today.
